

# DESIGNS JUST FOR YOU

With over 30 years of design experience, Harriet can make your space go from drab to fab. Harriet has 25 years experience from Bittner's followed by 8 years with the Lee W. Robinson Co. You may have seen her work in Sophisticated Living Magazine or in the many Homearama showhouses she has been featured in.

Give her a call today and she can help with any project, none are too big or small! Harriet truly designs the perfect space for you, not her.
